Does not appear on any property lists

Notes:

It would appear that he left his wife & children behind when he travelled to live in NZ, although his obituary stated he was single. It also stated he travelled to NZ in 1869, which is before the children were born

Befriended & looked after when fell ill (stroke) by the Hurunui family

See Horowhenua Chronicle 21 May 1924 re Supreme Court case of dispute of his will

Further dispute of the administration of the will by a brother & sister still living in Ireland
